National Neonatal Nurses Conference
Savannah, Georgia • September 12–15, 2010

Savannah is waiting for you! For nearly three centuries, visitors have ventured to the Georgia Coast, lured by a sultry Southern belle named Savannah. With her unique blend of history, elegance, and charm, it’s no wonder Condé Nast Traveler Magazine named her a “Top 10 American Travel Destination.”

In Savannah, dramatic architecture from centuries ago mingles with trendy downtown boutiques and microbreweries. You can get lost in numerous art galleries or find yourself sipping sweet tea at a sidewalk café. Whether you’re looking for laid-back luxury or seeing and doing as much as possible, Savannah, Georgia, is just the right speed for singles, couples, families, and nursing colleagues! You’ll find a wealth of Southern history by just wandering through Savannah’s renowned squares all nestled beneath a canopy of Live Oak trees. Savannah has one of the largest National Landmark Historic Districts in the United States. Come to Savannah, you won’t find a more beautiful place to visit—or a friendlier one!
