Tradition Meets Innovation

For more than 40 years, **Pediatric Nursing** has provided the pediatric nursing arena with current information on practice, policy, and research. Each issue includes:

- Expanded, evidence-based clinical content for the pediatric nurse at the bedside.
- The latest advances in pediatric nursing practice, research, administration, and education.
- In-depth analyses by the world's leading experts in pediatric nursing.
- CNE contact hours and pharmacology credits.

Regular Series and Departments:

- Critical Thinking Case Studies
- Demystifying Research
- Family Matters
- Inspirations
- Items of Interest
- Primary Care Approaches
- Children's Corner
- COVID-19: What's New?

Journal Philosophy Statement:

Pediatric Nursing presents information that is both theoretically grounded and clinically relevant to educate the novice, enrich the generalist, and advance the pediatric specialist toward providing professional care of the highest quality.

Pediatric Nursing is the premier resource for evidence-based clinical information, research studies, and advances in child health care.

NEW FOR DIGITAL EDITIONS

Video or Audio File Embedding

Embed a video or audio file up to 3 minutes in your full page or half page ad in the electronic edition of *Pediatric Nursing* to create a dynamic reader experience. The video or audio file will include a "Play" button instructing the reader to click to play.

Video embedding - \$200

Provide a link to your video (e.g., on YouTube or other embedded video service).

Audio embedding - \$150

Provide a link to your audio file (e.g., on SoundCloud or other embedded audio service). Alternatively, audio files can be emailed directly for insertion into the electronic edition.

All advertisements that appear in the print edition also appear in the digital edition of *Pediatric Nursing* at no additional charge. Links in your ad connect readers directly with your website and message. Take advantage of this bonus exposure. To add even more to your ad, embed a video or audio segment to the digital edition (see the next page for more information).
